The main belt you need to have running is your drive belt, with the specific type being found in your vehicles service manual. Without it, you wont be able to use your systems such as the air conditioner, water pump, alternator, or power steering. The timing of a belt failing can also coincide with valve, gasket, and engine damage.

Subaru's EJ255 engine was a turbocharged 2.5-litre horizontally-opposed (or 'boxer') four-cylinder engine. For Australia, the EJ255 engine was introduced in the Subaru SG Forester XT in 2003, but subsequently offered in the GD/GG Impreza WRX and BL Liberty GT (see table below). Developed in conjunction with the more powerful EJ257 engine, key features for the EJ255 engine included its:

Offered with six-speed manual or nine-speed automatic transmissions, Land Rover set new standards for safety with the Discovery Sport, which became the first car in its class to earn a five-star Euro NCAP safety rating. A new Discovery Sport model was launched in 2020, but the original is still massively popular as a used car.
