There is one hitch though: you'll need a valid and active public library card. Overdrive works with over 30,000 public libraries in over 40 different countries worldwide.

K9 Mail User Manual

Welcome to the documentation section of the K-9 Mail website. This section aims to provide information on current features (and give some pointers on future direction where possible). However as a living project, the section is a constant work-in-progress and is often developed along-side / after the features themselves.

Documentation - K-9 Mail

When you open K-9 Mail for the first time you will be asked to set up a new account. If you already have accounts set up you will need to tap on the + in the top right to add a new account on the accounts screen. You will be shown the screen below. Enter your email address and password, then tap on Manual Setup.

K-9 Mail Set Up Guide (IMAP) | Runbox Help

K-9 will display a notifier on the window-shade for each mailbox which has new messages. When you tap on this notifier, you will be taken to either the Folder List or the Unread Message List for that mailbox/account, depending on the setting of Account Settings->Notifications->Notification Opens Unread for that account.
