"Mapping Inner Space" has been a best seller for 25-plus years. The second edition includes many ideas for business people and community organizers. The process introduced here are "mindscaping" has become part of a growing field called visual recording.

Mapping Inner Space: Second Edition Learning and Teaching ...

Visual Mapping is an easy-to-learn, straightforward system for generating and organising any ideas. Using a central image, key words, colours, codes and symbols, the process is both fun and fast. For many the traditional style of writing ideas in a linear fashion, using one colour on a lined piece of paper, is habit.
