Eventually, you will  
completely discover a  
further experience and  
capability by spending  
more cash. yet when?  
reach you receive that  
you require to acquire  
those all needs later  
than having  
significantly cash? Why  
don't you try to get  
something basic in the  
beginning? That's  
something that will

War should always be a last resort, reserved to protect vital interests, most importantly America's survival - protection of its territory, population, and liberties.

Washington should sacrifice lives and wealth only to protect the American political community itself.
