Themes are the fundamental and often universal ideas explored in a literary work. The King vs. the Steward. At the beginning of The Lord of the Rings, Middle-earth is weak and disunited, with little trust existing among the various races. Dissension plagues the different human kingdoms, and one of the main problems is that the true leaders

Symphony was created from the nearly twelve hours of music written for The Lord of the Rings films. Maestro John Mauceri first suggested I create this work from the film scores. We worked together to adapt the scores into the six movements that reflect each of the six books of J.R.R. Tolkien's The Lord of the Rings."
